

STANDARD & LARGE ENCLOSURES

See page 47 for dimensional drawings.
For accessories see page 45.

FEATURES / APPLICATIONS

The following enclosures are made from 14 GA. sheet steel painted with a dry powder paint. The first group will accept all standard size REES pushbutton switches. The second group (the 04938-'s) are designed to fit the larger style switches from page 16.

The 02765-100 one opening, painted yellow, is suitable for holding an "Emergency Stop" switch. These enclosures can be used to house any switch that has the same mounting pattern.

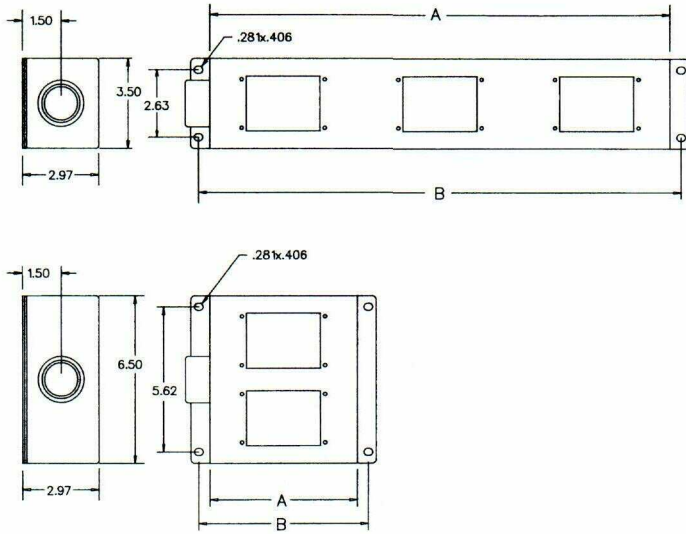

Catalog Number	Number of Switch Openings	End Coupling Conduit Size	Color	NEMA UL, IP Class	Approx. Shipping Weight
02213-000*	2 Standard	1" NPT	Orange	12/13 IP65	3.15 lbs.
02261-000	3 Standard				4.90 lbs.
02715-000	2 Standard				3.55 lbs.
02718-000	4 Standard	1.25" NPT			6.15 lbs.
02765-000	1 Standard	1" NPT	Black		1.95 lbs.
02765-100	1 Standard		Yellow		1.95 lbs.
03007-000	5 Standard	1.25" NPT	Orange		8.10 lbs.
04938-100	1 Large	1" NPT	Black	12/13 IP65	1.90 lbs.
04938-200	1 Large	(2) 1" NPT			2.10 lbs.
